

ABOUT OUR MENU...

Bio is the first certified organic restaurant of Argentina. On our menu you will find two types of dishes: those categorized as Organic have been prepared with certified organic ingredients in a range that varies between 95%-100%. Dishes that do not have the Organic nomenclature have an asterisk in the certified organic ingredients according to Argentine standards. Ingredients that do not have organic seal, are chosen by BIO with the greatest responsibility and awareness: they are not transgenic,do not contain pesticides or additives but have not yet been certified as organic, for various reasons. If you want to know more about the organic ingredients of each dish, ask for the Complementary Menu and we'll get it to your table.
